# Holistipure<sup>®</sup> Healthcare Recycling Program

OUR SHARED COMMITMENT TO ENVIRONMENTAL SUSTAINABILITY

1. On The Right Track and your Team work together to determine the weekly/monthly return cycle around your needs.

2. On The Right Track provides special cartons along with the shipping labels to return the used product (30 panels/carton).

3. Your EVS team delivers the cartons to your dock for FedEx pickup at facility's cost.

6. The polypropylene pellets are recreated into useful Healthcare products including storage totes, basins and trays.

5. On The Right Track pays for consolidation and the recycling of the Holistipure<sup>®</sup> curtains into polypropylene raw materials.

4. On The Right Track's resource center receives the cartons and prepares for recycling.
